

# Cold Ham & Cheese Sandwich

by Dan

**Tomato is optional : Knives; chopped ham, sliced cheese, bread Mayo or Salad Dressing.**

**Using 2  
slices of  
bread.**

**Take out 1-2  
slices of  
meat and 1  
slice of  
cheese.**

**Spread a  
little Mayo  
or Salad  
dressing on  
each slice  
of bread.**

**Build Your Sandwich In Any Order; I like meats against the Mayo and Cheese and Tomato in the middle.**

A photograph showing a slice of white bread on a white plate with a yellow and orange striped border. The bread has a pinkish layer, possibly ham or salami, on its bottom surface. To the right of the plate, a slice of red tomato is placed inside a clear plastic zip-top bag. The items are on a wooden cutting board. The text "EAT ME" is overlaid on the bread.

**EAT ME**

**Its good to store  
the Tomato in a  
plastic bag. It will  
keep nicely in the  
fridge for a few  
days.**
